Unlock Your Potential with POTRAZ Scholarships!

The Postal and Telecommunications Regulatory Authority of Zimbabwe (POTRAZ) is now accepting scholarship applications. If you are a student who has been accepted into any State University in Zimbabwe for programs related to Science, Technology, Engineering and Mathematics (STEM) including but not limited to Computer Science, Data Science, Electronic Engineering, Electrical Engineering, Information Systems, or similar fields focusing on Emerging Information Communication Technologies – this is your chance!

Eligibility Requirements:

- Must be a Zimbabwe national.
- Not hold dual citizenship.
- Hold at least fifteen (15) points in three (3) STEM subjects at Advanced (A') Level, earned at most twelve (12) months before the application deadline date.
- Have an unconditional acceptance or admission offer letter (except for funding) for the upcoming August/September 2024 semester, from a state university in Zimbabwe before the scholarship application deadline date.
- Not be a close relative of any POTRAZ employee.

Do not miss this opportunity to advance your education with the support of POTRAZ. For more information about the Scholarship Program, visit the **POTRAZ website: www.potraz.zw.** Applications are to be submitted online via the webform: **https://bit.ly/potrazscholarships2024** and submissions close on **Sunday 30 June 2024 at 23:59.**
